GRIEVANCE PROCEDURE

A. GENERAL

It is desirable for any variation in the orderly conduct of City employment to be settled expeditiously. Supervision includes the responsibility for problem solving and as such whenever possible any dispute concerning working conditions should be resolved at the operating level. However, it may become necessary for employees to have a formal procedure for airing an issue or grievance beyond the level of first line supervision.

1. An Employee in the competitive service of their representative may present a grievance to the City with respect to an issue or dispute concerning the interpretation or application of an M. O. U., a resolution, ordinance, rules and/or regulations governing employment relations; or of the practical consequences of City rights decisions with respect to wages, hours or conditions of employment.
2. If a grievance is filed, it must bear the signature of at least (1) employee who has been grieved, or who represents a grieved class. In addition, it will contain the following information.
 - a. Action being grieved
 - b. Date of occurrence
 - c. Basis of grievance (specific violation)
 - d. Remedy sought
3. The grievance procedure, except as otherwise set forth, shall not apply to the "Meet and Confer" process. No employee shall be interfered with intimidated, restrained, coerced or discriminated against by the City because of the exercise of grievance rights.
4. A grievance must be filed within five (5) working days of the time grievant knew, or in the exercise of reasonable diligence should have known, of the event giving rise to the grievance. Failure to process a timely grievance shall act as a bar to the claim alleged. The issue of timeliness shall constitute an appropriate issue for determination by the Hearing Officer. In the event the Hearing Officer determined that a grievance was submitted in an untimely manner, the Hearing Officer shall not consider the matter. The time limits specified at any step in this procedure may be extended in any specific action by mutual agreement of the parties.

5. Grievances pertaining to suspension, or discharges, and grievances which allege an effect upon employees of more than one (1) unit or division shall be filed at the Step 2 level. All other grievance shall be filed at Step 1.
6. The City shall provide forms and/or documents to be utilized under this procedure.
7. Employer grievances shall be filed with the employee association/union at Step 3.
8. Appeals to higher steps will be made by the dissatisfied party in writing stating reason for appeal.

B. STEPS OF GRIEVANCE PROCEDURE

STEP 1 The grievance shall be presented to the employee's First Level Supervisor in a timely manner (5 days) in writing on an appropriate form. The First Level Supervisor shall discuss the matter with the grievant as soon as practicable, but no later than three working days after submission. Every effort should be made to settle the grievance at this level. The grievance shall be answered and a copy forwarded to the Personnel Administrator by the Department Head with the basis of settlement, if any, noted and acknowledged as to the satisfaction of the grievant within three (3) working days of original submission of the grievance.

STEP 2 If the grievance is not settled at Step 1, which shall be noted on the grievance, it shall be presented to the Department Head, within three (3) working days after completing Step 1. The Department Head may direct the First Level Supervisor to discuss the matter again with the grievant, and/or will arrange for a grievance meeting. Such grievance meeting shall take place as soon as practicable, but in no event later than five (5) working days from the date of receipt by the Department Head. The Department Head shall file a written answer to the grievant in person, or via certified U.S. mail no later than three (3) working days after such meeting with copy to Personnel Officer.

STEP 3 If the grievance is not settled in Step 2, it shall be presented to the City Manager or his designee within three (3) working days after completion of Step 2, and the City Manager or designee shall meet with the grievant within three (3) working days after presentation to the City Manager.

STEP 4 If the grievance is not resolved in Step 3, either party to the dispute may submit a request, through the City Manager, to initiate hearings (2) in accordance with procedure contained in this section. The request shall be submitted in writing within ten (10) calendar days after completion of Step 3, with a copy served by certified mail upon either party.

C. PROCEDURES FOR STEP 4 – THIRD PARTY HEARING

1. The City Manager or his designee and the employee's representative shall request a panel of 5 hearing officers from the California Mediation and Conciliation Service. A single hearing officer will be selected from this panel by means of alternate striking off. Other methods of determining a hearing officer are acceptable if mutually agreeable.
2. All expenses and compensation of the hearing officer shall be shared equally by the parties after approval of City Council.
3. The hearing officer shall commence the hearing as soon as practicable.
4. Each party to the dispute shall have an opportunity to present material and relevant evidence and to subpoena and cross examine witnesses.
5. When the hearing officer ascertains that the hearing has been completed, he shall issue a report to the City Manager of findings and recommendations as soon as possible (30 days maximum). All recommendations shall be advisory.
6. The hearing officer shall not have the power to add, to modify, amend or delete any terms or provisions of M.O.U.'s rules, regulations, ordinances or resolutions.
7. The City Manager shall make final determination and communicate such determination to the grievant (or their representative) and to the Department Head.

Exhibit "C"

LAYOFF

The appointing authority may layoff an employee in the competitive service because of material change in duties or organization or shortage of work or funds. Fourteen (14) calendar days prior to the effective date of layoff, the appointing authority shall notify the Personnel Administrator and the affected employee of the intended action with reasons therefore. Those designated "layoff" shall have their names placed on the appropriate reemployment lists for all classes which, in the opinion of the Personnel Administrator, require basically the same qualifications, duties and responsibilities of those of the class from which the layoff was made.

Seniority within the job classification shall be observed in effecting a layoff and the order of layoff shall be in reverse order of cumulative time served in the job classification upon the effective date of the layoff. An employee laid off may request in lieu of layoff a reduction to the next lower job classification in which he/she previously held permanent status in which instance he/she would retain the seniority of the time served in such classification and higher classification from which he/she was laid off. Classification seniority is city wide.

When circumstances are such that the city is hiring individuals for positions in classes which have reemployment lists, and when the city actually hires from such lists, the city shall hire in the reverse order of layoffs individuals who are qualified for such positions. Individuals so hired are not reinstated employees, but such hiring shall be considered reemployment.
