**PRESS RELEASE #07-2014**

**Subject: Sandbags Available For Stormy Weather**

**Contact: City of La Habra Public Works Dispatch (562) 383-4170**

Due to the rainstorms expected to occur this weekend, the City of La Habra reminds all residents and businesses that sand bags are available for distribution at the City Yard and Fire Station #192.

Sandbags are only available to La Habra residents and businesses, and the bags must be self-filled. Due to the high demand, there may be a limit on the number of bags available for each resident or business.

For those in need of sandbags, please visit the City Yard at 621 West Lambert Road during regular business hours Monday-Thursday between 7:30 a.m. - 4:30 p.m., and Fridays between 7:30 a.m. - 3:30 p.m. Residents and businesses may also pick up sandbags after hours at Fire Station #192, located at 520 Harbor Boulevard.

According to the National Weather Service, heavy rainfall will continue through the La Habra area this weekend and should begin to subside by Sunday. As a reminder, residents and businesses are also encouraged to not water their landscaping during the potential storms.
